

The Morris Chapter of NJAWBO offers several levels of sponsorship and advertising opportunities. These programs offer you a way to introduce your company and its benefits to the members of Morris NJAWBO in various ways. We are pleased to offer our members access to our newest opportunity – the **Teal Talk** Magazine.

Morris NJAWBO will produce a full-color magazine that will be distributed to all attendees at our monthly Breakfast and Luncheon meetings, Networking Events and Special events. The program will feature ad space for members as well as important information for members, potential members and affiliates about our chapter. **Teal Talk** will be published quarterly beginning with the October issue.

Those member businesses that took part as advertisers in our previous Ad Booklet program will receive a special discount of 15% if they renew at the same level in the new magazine. Ad may be purchased for a period of 6 months or 1 year.

**RATE INFORMATION
